November 2023 | Issue 55

From the Principal's desk

Dear friends,

Greetings from UCC!

Union Christian College is at a significant juncture this year, after the jubilations of the centenary celebrations. This is a moment for introspection and recalibration. The challenges of a new era call for a renewed commitment to the vision of our founders, while we brace ourselves for fresh ventures to influence the socio-cultural and educational map of our land. The time is ripe to pledge ourselves to the nation, to safeguard its secular and democratic fabric.

It is a matter of pride that in our pursuit of educational excellence we have improved our position in the NIRF ranking from 97th to 77th. But there is no time to bask in the newly achieved glory. There are still heights to reach and dreams to realise. One is reminded of Robert Browning's lines, "a man's reach should exceed his grasp/Or what's a heaven for?" At UCC we never cease from aspiring for excellence. In that search the college is gearing up for the 5th cycle of NAAC accreditation. I wholeheartedly appreciate the college community for diligently working towards securing the highest grade. I earnestly solicit the support of all well-wishers in this endeavour.

The Centenary Celebration in 2022 was an unforgettable experience, evincing the love of our alumni and the wider community for our institution. The week-long festivities reinvigorated us. My sincere gratitude to all who contributed to the success of this fiesta. The nostalgic November Meet this year is special as our cherished AB Block has been renovated with the generous support of the Vidwan P. G. Nair Trust.

The Vidwan P. G. Nair Block & M. L. Pankajakshi Conference Centre will be inaugurated on the 8th of November by Prof. M. K. Sanu. UCC's gratitude to Dr. M. G. Sarngadharan and family! The Thanalidam Eco-shop will be inaugurated on the 9th of November. Events galore await us. Let us travel together!
