### **INDEPENDENT AUDITOR'S REPORT**

### Qualified Opinion:

We have audited the accompanying financial statements of THE UNION CHRISTIAN COLLEGE, ALWAYE, which comprise the Balance sheet as at March 31, 2021, Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information contained in notes to accounts.

In our opinion and to the best of our information and according to the explanations given to us, and subject to the effects of the matter described in Qualified opinion section of our report and read with Other Notes attached to and forming part of the accounts, the said accounts, read together with the accounting policies and other notes attached thereto, give a true and fair view in conformity with the Accounting Principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the College as at 31st March, 2021,
- b) In the case of Income and Expenditure Account of the College, of the excess of Expenditure over Income for the year ended on that date, and
- c) In the case of the Income and Expenditure Account of the Platinum Jubilee Committee, of the excess of Expenditure over Income for the year ended on that date.

### Basis for Qualified Opinion:

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements.

### Qualification:

As stated in Note No.B7 of Schedule of Significant Accounting Policies and Notes to Accounts of the financial statements, a petition filed during the year by certain members of the General Body of The Union Christian College (College) alleging mismanagement and non-compliance of the provisions of Companies Act 2013 was disposed of by the National Company Law Tribunal, Kochi Bench (NCLT) with a direction to appoint an Interim Administrator to manage and carry out the affairs of the College. Writ Petition filed by the College against the said order challenging the jurisdiction of NCLT on the ground that being an entity governed by the Kerala Non-trading Companies Act 1961, on repealing of the erstwhile Companies Act 1956, the provisions of Companies Act 2013 are not applicable to them, was not accepted by the Hon High Court of Kerala (Single Bench). Further appeal filed by the College before the Division Bench of the said Hon Court is pending and an interim administrator as directed by NCLT has not been appointed and status quo has been maintained regarding the management and affairs of the company until such appointment.

2

Pending final decision in this matter, at this stage, we have not been able to verify compliance of the provisions of Companies Act 2013, if any required, including those relating to the financial statements, to the extent the same may apply to The Union Christian College as a company governed by the Kerala Non-trading Companies Act, 1961.

Subject to the above, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter:

- (i) We draw attention to Note No. B8 of Schedule of Significant Accounting Policies and Notes to Accounts of the financial statements, regarding the impact of COVID-19 pandemic on the operations and financial position of the College. As stated therein, in view of continuing uncertainties, the extent of impact of the pandemic on the entity's operations and financial position would depend on several factors including the steps taken by the Governments and the College to mitigate the same.
- (ii) As a result of the Covid-19 pandemic restrictions imposed in the locality, we have conducted our audit remotely from our office relying on the data available in the software and verification of documents called for and provided to us by the management.

Our opinion is not modified in respect of the above matters.

Responsibilities of Management and Those Charged with Governance for the Financial Statements:

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance in accordance with the accounting principles generally accepted in India and for such, internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### Notes to Accounts:

7. The Union Christian College, Aluva ("UC College" or "College") was established in 1921 under Section 263 of the Travancore Companies Regulation, 1092 M.E. by a Christian association of members representing certain churches and inter-church fellowship and registered as an Association limited by guarantee with the main object of imparting the highest levels of education to all. This law was succeeded by Travancore Companies Act, 1114 M.E.

On repeal of the Travancore Companies Act, 1114 M.E., the Kerala Non-Trading Companies Act, 1961 was enacted, as per which existing non-trading entities formed under such earlier law with objects confined to the State of Kerala were brought under the ambit of the said new statute, and also deemed to be registered under the Companies Act, 1956, which shall, mutatis mutandis, and subject to the modifications specified, be applicable to the State of Kerala under the jurisdiction of the Registrar that the Government of Kerala may appoint. Further, as per the said new statute, every company other than a trading company with objects confined to the State of Kerala registered under Companies Act, 1956 before commencement of the said new enactment was deemed to have been validly and lawfully registered as if the said new statute in so far as it relates to such companies were passed by the State Legislature. Since inception, UC College being a non-trading not for profit entity has been functioning in accordance with the provisions of the laws to the extent considered applicable to such an entity from time to time, and the financial statements are being prepared in accordance with the generally accepted

**DIRECTORS:** 

accounting practises based on the principles of consistency and prudence as applicable to such an entity. As per legal advice, even after repeal of the Companies Act 1956 in 2013, the existing provisions of the Kerala Non-Trading Companies Act 1961 alone will continue to apply to entities like UC College, as the provisions of the new Companies Act 2013 have not been made applicable to them.

Several modifications/changes have been made in the Memorandum and Articles of Association as well as in the Regulations and Byelaws governing the College from time to time to be compliant with various applicable legislations including the Companies Act 1956 and Kerala University Act (as amended from time to time) to the extent considered applicable to the UC College. As per the constitution of the college (Memorandum & Articles of Association), management responsibilities are vested in the Board of Directors consisting of General Body members elected annually together with certain functional members. Also, as per the constitution of the college, the income and property of UC College shall be applied solely for the objects and no portion shall be paid or transferred by way of dividend, bonus or otherwise (except for normal remuneration) to the members in any capacity and the college has been granted exemption under the Income Tax law as a charitable entity.

During the year, certain members of the General Body petitioned the National Company Law Tribunal, Kochi Bench ("NCLT") alleging mismanagement and non-compliance with provisions of the Companies Act 2013, based on which NCLT passed an interim order dated 22<sup>nd</sup> June 2020 directing that an interim administrator be appointed to manage and carry on the affairs of the college. UC College filed a writ petition before the Hon High Court of Kerala, challenging the applicability of Companies Act 2013 and consequent jurisdiction of NCLT, which was disposed by a Single Bench Order dated 24.9.2020 upholding the applicability of the Companies Act 1956 to the extent it is not inconsistent with Act of 1961 and with necessary changes. The Single Bench order also held that Companies Act, 2013 being the successor to Companies Act, 1956 will apply to UC College following the repeal of the earlier Companies Act 1956 in a similar manner.

**DIRECTORS:** 

As per our separate report of even date attached

UC College has been legally advised that the view adopted in the Single Bench decision of the Hon High Court that there would be a legislative vacuum unless the Companies Act 2013 is made applicable to entities governed by the Kerala Non-trading Companies Act 1961, is not legally sustainable, based on which an appeal has been filed before the Division Bench of the Hon'ble High Court, which is pending and accordingly an interim administrator as directed by NCLT has not been appointed and status quo has been maintained regarding the management and affairs of the company until such appointment.

Pending final decision in the afore stated matters, the financial statements for the year have been drawn up in the manner and format hitherto followed applying the same accounting principles and standards consistently adopted in the earlier years.

- 8. The outbreak of COVID 19 pandemic has affected several countries across the world, including India; and the consequent lock-down restrictions imposed by the Governments have affected the financial operations of the College, including the ability to regularly recover due fees from students. In view of continuing uncertainties, the extent of impact on the college's operations and financial position would depend on several factors including the steps taken by the Governments and the college to mitigate the same. The college has taken into account the possible impact of COVID -19 in preparation of Financial Statements including its assessment of liquidity and going concern assumption, recoverable values of its financial and non financial assets, impact on revenues, etc. Based on an assessment of the present situation, the management does not anticipate the requirement to make any further adjustments in the accounts at this stage on account of the above. Given the continuing uncertainties associated with the pandemic, the management will continue to monitor the position based on future conditions.
- 9. In the opinion of the management, the current assets, loans and advances have the value at which they are stated in the Balance Sheet, if realised in the ordinary course.

**DIRECTORS:** 

As per our separate report of even date attached

During the year the college has received Rs. 4657971/-towards hostel dues which includes mess expenses, rent, electricity, water charges etc of SC/ST/OEC and sports students, on the basis of bills submitted. The surplus in collection amounting to Rs.4338559/- is transferred to the Income and Expenditure Account of management for the year ended 31st March, 2021.
- 18. Management has given a deposit of Rs.12,00,000 for a period of 10 years to AICTE, New Delhi as security deposit for approval of MBA course (self financing).
