

2018- 2019

1.CLEANING AND CHLORINATION AT MAMBRA

As part of disinfecting drive against the epidemic spread, several houses and its premises were cleaned and chlorinated by NSS volunteers at Mambra of Karumalloor Panchayat on 12th and 13th August, 2018. About 30 volunteers took part in the programme.

2.SCHOOL CLEANING

At the onset, the one-day miniature camp held on 8th September 2018 aimed in joining the cleanliness activities at Chamaparambu Government LP School near to UC college, Aluva. NSS volunteers cleared up the ground and surroundings thereby creating a warm and pleasant atmosphere. Volunteers prepared an herbal garden in the school. They also planted saplings of trees in the school compound. The Teachers and PTA of the School directed the volunteers for the cleaning work.

3.CLEAN CAMPUS GREEN CAMPUS

Plastic is hazardous to health and is an impending cause of destroying our planet Earth. On October 2nd 2018, NSS volunteers engaged in the cleaning of UC College campus under the guidance of Dr. Justin. R. Nayagam (Assistant Professor, Department of Botany). NSS Volunteers collected about 139 kilograms of plastic waste from the campus and sorted the waste in a scientific manner. This activity invited the attention of other students of the college towards the cleanliness drive.

4.SOCIO - ECONOMIC - HEALTH SURVEY

As part of the Shuchithva Mission Programme NSS Unit conduct a Socio – Economic - Health survey in ward XVIII (Manakkappadi South) of Karumalloor Grama Panchayat of Ernakulam District during 23 – 25 December, 2018. Volunteers visited 396 houses. They also gave an orientation about ‘How can we reduce plastic waste’, ‘Handling of bio waste’, ‘Organic farming’ etc. We are planning to submit the analysis report of our survey by the end of January 2019 to the Panchayat and will take necessary steps towards improving the cleanliness of ward XVIII of Karumalloor Panchayat.

5. Shuchitva bodhana yajnam' rally

During the NSS special camp a '*Shuchitva bodhana yajnam*' rally was conducted on 26th December 2018. Volunteers prepared slogans themselves and the rally was set off from the campsite to Thattampadi Junction. All volunteers actively participated in the rally. This resulted in a better awareness among the society about the importance of clean surroundings

2019- 2020

1. Environment Day Celebration (June 6,2019)

World Environment Day was celebrated in our college on 6th June 2019 by our NSS volunteers

We prepared posters and placards on environmental conservation and had a short rally around the college spreading awareness on nature conservation. After that we planted a sapling in one of the major area of our campus and volunteers decided to take care of the sapling day by day. About 50 of our NSS volunteers actively participated in the programme.

2. **Eco campaign- Green Kerala Mission -July 16,2019**

As a part of the 'Green Kerala Mission', posters of the same were displayed in the campus by NSS volunteers. The posters were pasted at places where the students gather the most like canteen, library, college notice board and other significant areas.

3. Pledge on Green Kerala Mission – August 1, 2019

Pledge on the Green Kerala Mission was taken by the NSS volunteers on 1st August 2019. College Bursar, Dr. M.I. Punnoose narrated the pledge to the students and conveyed the importance of Green Campus-Clean Campus.

4. ONE-DAY CAMP: VAZHAKKANNU- August 28, 2019

2019-20' NSS one-day camp, named 'VAZHAKKANNU', was conducted on 28th August 2019. 120 of the NSS volunteers participated in the one day camp. Dr. Kurian C. Soman, the former NSS programme officer, took the orientation class from 9:00 am to 10:30 am on NSS and its objectives. This was followed by an ice breaking session and working session. From the one-day camp volunteers studied the art of cultivating plants. They developed a skill of working in the soil and they took oath to take care of the plants and vegetables they planted throughout the year. The volunteers planted 110 banana saplings, 65 tapioca stems and some vegetables. Seeds were provided by the Department of Physics. Cultural programmes were organized during afternoon session and were really entertaining.

5. Kera Dinam – September 2, 2019

The coconut palm is one of the most beautiful and useful trees in the world. It supplies food, drink and shelter and also supplies raw materials to number of industries. As Keralites, Kera Dinam is of great importance to us. Through a talk on the advantages of Coconut trees, Principal David Saj Mathew planted a coconut tree in college campus as a startup.

6. THOOSHANILA , Campaigning – September 3,4, 2019

A campaign to create awareness for avoiding plastic glasses and plates for Onam celebration in various department was organized by the NSS volunteers.
