17. Opportunities After BSc Chemistry Programme Report

Date of the Programme : 26/05/2021

No: of Participants : 45

Resource Person/s : Krishnakumar S, Deputy Chief, UEIGB, CUSAT

Organising Agencies : Dept. of Chemistry

Description of the Programme: Chemistry is an incredibly fascinating field of study that encompasses almost every aspect of our existence in some way. Many B.Sc Chemistry graduates aims to explore jobs in the public sector after completing their degree. The speaker emphasized Diverse Career Paths available to students with a background in Chemistry, such as research, academia, industry, healthcare, Environmental Sciences, and more. He also incorporated the Real-World Examples who have pursued different careers after studying Chemistry. This helped students relate to the potential outcomes of their education. He also clearly outlined the transferable skills that students can acquire through studying Chemistry, such as critical thinking, problem-solving, data analysis, and laboratory techniques.
