7. Gateways After BSc Chemistry

Programme Report

Date of the Programme : 29/09/2021

No: of Participants : 45

Resource Person/s : Sri. Shaju P J, Former District Employment Officer

Organising Agencies : Dept of Chemistry

Description of the Programme : The main objective of the talk was to familiarize the most popular employment areas for the scope of BSc Chemistry like Research, Pharmaceutical Companies, Healthcare centres etc. The speaker explained a wide variety of opportunities that a Chemistry graduate can select for their future. Students now become aware of the fact that they can work in Pharmaceutical industries, forensic science departments, plastic companies, chemical manufacturing, fertilizer-producing companies, etc. after graduating from Chemistry. The speaker also conveyed the easy passage of Chemistry students to the power, air and oil sectors also. Shaju sir pointed out that the success of a student's future would depend on its curriculum, industry connections, and regular updates to reflect industry trends.
