Other than this class tests and continuous evaluation and assessment processes are done by the respective subject teachers to ensure academic growth and understanding. Class room discussions and debates on relevant topics related to subjects as well as in general are organized during class hours which increase student involvement in the teaching learning process. Retests were given to facilitate and support absentee students. Students are provided with a chance for improvement through retests. Assignment topics are given to the students during each semester on individual or group basis by the respective subject teachers and they are given ample time for submission. Seminars/webinars are also given to selected semesters as per the syllabus, which the students present with support of ICT enabled tools. Following the presentation, an interaction, generating dynamic learning. Attendance is also given marks as per the university guidelines. Once marks are entered into A form and C form respectively for UG and PG, its presented to the students to ensure transparency and to rectify if there is any grievance from their part. Marks will be finalized only after this verification.</p> <p>MBA:</p> <p>Continual Evaluation or internal assessment shall be conducted throughout the semester.
