## Centre for Peace Studies and Dialogue

Youth find joy in the process of peace building. The training at CPSD helps students to develop a critical approach to social and personal issues and turn around perspectives. Inter-religious meeting & discussions on issues that make headlines led to internal transformation and broadening of minds. Peace volunteers collected memories, the sharing of which reduced the trauma of the survivors of the 2018 floods. CPSD has developed short teaching modules in peace studies and supports other institutions engaged in the same.

## A College Campus Becomes a Flood Relief Camp

📅 SEPTEMBER 26, 2018

Thara K. Simon began her tenure as principal of **Union Christian College** (UCC) on March 31, 2018, the first female to lead this 100-year-old institution located in the southwestern Indian state of Kerala. Five months later, as heavy rains and severe flooding struck Kerala, Dr. Thara put aside her typical administrative responsibilities in order to respond to emergency conditions. UCC, located on a hilltop, had been spared the worst effects of the devastation, so Principal Thara and her colleagues welcomed those displaced by the flooding to the UCC campus. For two weeks, the campus served as a flood relief camp, giving shelter to about 13,000 people.
