

Sustainable Campus Directives: Circulars on Green Initiatives, Clean Practices, Plastic Ban, and Automobile Restrictions

In pursuit of our commitment to environmental stewardship and sustainable practices, we are pleased to present a compilation of crucial circulars issued over the designated period. These directives encompass a spectrum of initiatives aimed at fostering a green campus, promoting cleanliness, enforcing a plastic ban, and regulating automobile activities within our educational institution. This document serves as a comprehensive guide to the concerted efforts undertaken to create an eco-friendly and responsible campus environment.

CIRCULAR

Sub: RESTRICTED ENTRY OF AUTOMOBILES Reg:

Ref: Circular No.02/UCC/BP-G1/2017 dated 05.06.2014

As per the Circular dated 05.06.2014, the institution reinforces the rules and norms regarding the restricted entry of automobiles beyond a point in the campus to students.

As part of this resolve, the teachers and students are directed to make restricted use of automobiles in the college premises. To accomplish the same, the students shall utilize the public transport facilities or pooling facility. The bicycles available in the campus shall also be used by staff and students to commute in the campus and to nearby places.

The institution also adds the following norms to enforce restricted automobile entry.

The staff shall resort to carpooling system to minimize the entry of automobiles in the college campus. The staff and students are also encouraged to use electric and battery powered vehicles.

The circular will come to effect from 15.10.2021.
