Wishing to utilise the knowledge & experience of the Placement Officer for the benefit of BSc-Physics students also in the near future.

Comments: \_\_\_\_\_

A very good and useful talk by the Placement Officer regarding the various aspects of the steps of preparation to be taken by the students for a bright career. The opinion of the speaker, "Failure is the stepping stone to success" is an old motto and the present times give no time for failures. seemed to be very realistic and relevant in modern times.
