arts where students have to take projects which involve larger groups. The projects are to be identified during the II semester of the programme with the help of the supervising teacher. The report of the project in duplicate is to be submitted to the department in the sixth semester and is to be produced before the examiners appointed by the University. External Project evaluation and Viva / Presentation are compulsory for all subjects and will be conducted at the end of the programme.

There shall be supplementary exams only for the fifth semester. Notionally registered candidates can also apply for the said supplementary examinations. For reappearance/ improvement, for other semesters the students can appear along with the next batch. A student who registers his/her name for the external exam for a semester will be eligible for promotion to the next semester. A student who has completed the entire curriculum requirement, but could not register for the Semester examination can register notionally, for getting eligibility for promotion to the next semester. A candidate who has not secured minimum marks/credits in internal examinations can redo the same registering along with the University examination for the same semester, subsequently. There shall be no improvement for internal evaluation.

\*Excerpt only. For full version of the regulations, refer to the Regulation of CBCSS, 2017 published by the Mahatma Gandhi University
