MOOC Farming Course

Mahatma Gandhi University is conducting a massive open online course on organic farming which is a compulsory course for all UG students. UG students have to do a project on organic farming which includes compost making and vegetable cultivation. In order to complete the organic farming course and for earning the certificate, the mandatory norms are the qualification of the exam and completion of the project. All the marks are entered through online by the college and certificates are generated by the university and are personally mailed to students.

Guidelines for implementing the organic farming project, as part of MOOC course for Under Graduate students of Mahatma Gandhi University

Objective
To enable the Under Graduate students of Mahatma Gandhi University to understand the know-how of organic farming activities and thereby acquiring the related skill sets.

Implementation Team
Affiliated Colleges shall nominate one Faculty member as Coordinator for the purpose of conducting MOOC course. For each department/course in a college, one faculty member shall be the Mentor of the course. The committee comprising of Coordinator and Mentors shall be responsible for the conduct of MOOC course, including the Project work and the online examination to be conducted using the computer lab facility of the college. Mentors have the immediate responsibility to guide the students regarding the implementation of the project work as well assessing the performance of students, subject to the guidelines put forward by the University.

Beneficiaries
All UG Students in the 240 plus affiliated colleges, from 2020 admission onwards.

Location
The location of the project shall either be the colleges concerned or the homestead of the beneficiaries. A 20 square meter (half a cent) land area with abundant sunshine and good drainage is to be selected for the project work.

Crops
The students may select five crops from the following crop cafeteria:
Vegetable crops: Amaranthus, ladies finger, cowpea, brinjal and chillies
Annual spices: Ginger , turmeric.
Tuber crops: Amorphophallus, tapioca.
